

## Wire Coil

**Product Page:** <https://www.abaconreo.com.au/product/reinforcing-wire-coil/>

### Product Description Wire Coil]

Within our reinforcing wire range is the Wire Coil which comes in galvanised stainless steel and raw HDLC\* finishes. Sizes from 1.57mm up to 8.00mm and packaged in 500KG Coils.

\*HDLC refers to Hard Drawn Low Carbon

What is Hard Drawn wire used for?

It is used for resistance welding, and also as reinforcement for concrete plus welded wire fabric.

All AbaconREO professional wire building products, including Wire Coil is on offer for both retail and wholesale sales, and is conveniently collected from our Melbourne factory or delivery arranged Australia wide. Request a quote today!
